January JumpStart!

For Advanced & Renewal Candidates

EAST and WEST! ~ NCAE Members ONLY!

What is it?

This daylong workshop is geared towards **Advanced Candidates** with regards to how to proceed with your candidacy, the ins and outs of determining what assessment exercises to retake, and what support is out there for you.

For Renewal Candidates! A National Board Certified Teacher must complete the National Board *Profile of Professional Growth*[™] prior to the expiration date of his or her certificate and can only renew certification in his or her original certificate area. If you fall into this category or just want to get a head start to see what lies ahead, there will be NBCTs on hand to guide and support you through the next phase in your National Board journey.

How much will it cost?

Early Bird – \$35 (by 1/15/10), Regular – \$60 (by 2/12/10)

Please consider your cancelled check as confirmation. You will receive additional confirmation approximately two weeks prior to the event. This will be the case regardless of when you send in your registration.

Registered participants will receive confirmation, along with a finalized agenda. Confirmation will be sent by **e-mail only**. Please ensure that NCAE is not blocked on your e-mail server. **If you do not receive confirmation by January 19 (for the January 23 session) or February 17 (for the February 20 session), please contact Cathy Barnes at the NCAE Center for Teaching and Learning.** If you need a receipt, please note such on this form.

This session will include breakout sessions by certificate area. We will do our best to provide certificate area assistance.

Please bring with you a copy of your certificate area standards and portfolio instructions.
