

President's Greeting

Greetings!

The new school year is about to begin or has started for some. I hope you will find joy and fulfillment in the role you hold and the success of every child in public schools.

As your newly elected President my focus will be on ESP's taking a stronger hold in their leadership positions locally, statewide and nationwide. I would like for ESP's to be recognized for the quality work that is produced for whatever job they may hold.

My leadership experiences are as followed: Currently I am Vice-President in Forsyth County, Senior building representative where 95% of the staff are members, 2006 special target recruitment membership campaign member, emerging leader graduate, 2009 Human Relation Recipient and Finalist for Classified Employee of the Year 2010-2011 in Forsyth County.

I am currently a home/school/liaison for WSFCS serving Konnoak Elementary. I have held this position for the past 16 years. Prior to this profession I was in law enforcement for 10 years.

It is indeed my pleasure to serve you as NC ESP President. Your contribution as an ESP member is invaluable to the work of the Association.

Denise W. McCoy
North Carolina Association of Educators
NC ESP President
