NEA Fund, NCAE-PAC & LEA-PAC Authorization. The National Education Association Fund for Children and Public Education (NEA Fund), the North Carolina Association of Educators PAC (NCAE-PAC), and the local PAC collect voluntary contributions from Association members and use these contributions for political purposes including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office, or in the case of the NCAE-PAC and the local PAC, state and local office. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund, NCAE-PAC or local PAC. Contributions to the NEA Fund, the NCAE-PAC, and the local PAC are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund, the NCAE-PAC, and the local PAC request an annual joint contribution of \$50.00, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or NCAE. *Members who do not wish to contribute the suggested amount of \$50.00 but do wish to make a contribution of a different amount should make their contributions to the NEA Fund, the NCAE-PAC, and the local PAC by personal check or credit card. Contributions or gifts to the NEA Fund, the NCAE-PAC, and the local PAC are not deductible as charitable contributions for federal income tax purposes. Federal law requires political committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits the NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith. I hereby authorize NCAE/NEA to deduct from my payroll check, checking account, savings account or credit card, in accordance with the agreed upon E-DUES or Credit card procedure, as a voluntary contribution to the NEA Fund, NCAE-PAC, and my local association's PAC the suggested amount for each contribution assessed annually. The amount deducted for such voluntary contributions will be
