### DONATION AUTHORIZATION

I hereby authorize NCAE to collect my PAC donations in accordance with the pay method I use for membership dues or selected above if I use payroll draft. I understand that (a) I may revoke this collection by sending a written request to the state office, and (b) PAC donations are not refundable and I have read the disclaimers below.

Signature:  Date:

The North Carolina Association for Educators Political Action Committee (NCAE-PAC) collects voluntary contributions from members to support recommended candidates in state and local elections. The National Education Association Fund for Children and Public Education (NEA Fund) collects voluntary contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Contributions to the NEA Fund and NCAE-PAC are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although NCAE-PAC and The NEA Fund requests an annual contribution as indicated above, these are only suggestions. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NCAE, NEA or any of its affiliates.

Contributions or gifts to NCAE-PAC and The NEA Fund are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. State law requires us to collect and report the name, address, occupation and employer for each individual whose contributions aggregate in excess of \$50 during an election. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund or local affiliate funds. Federal and state law prohibit the NEA Fund and NCAE-PAC from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.

I hereby authorize NCAE/NEA to charge my credit card, in accordance with the agreed upon credit card procedure, as a voluntary contribution to the PAC, my local association's PAC, and the NEA Fund the guideline amount for such contributions proposed annually. I understand that my contribution will be evenly divided between the NCAE-PAC, the NEA Fund and my local association PAC (i.e., on a 1/3, 1/3, 1/3 basis).
